

Overseas Study  
Experience

Visit the  
University of Warwick

## EECE 4993

A 3-credit Engineering Elective featuring a two-week trip to London and Coventry, UK. This experience will include academic lectures, industry site visits, engagement with alumni and cultural experiences.

**Course Fee: \$4900**

**UNIVERSITY  
OF WARWICK**

## International Experience in Energy, Environmental & Chemical Engineering (EECE 4993, 3 credits)

Visit the University of Warwick & London for two weeks (May 15-31) in Summer 2026! Formal course enrollment will be in Fall 2026. This is designed to enable you to keep all your summer plans in the US (internships, research, etc.!)

### Washington University in St. Louis
