

Proposal for Undergraduate and Master's Independent Study

Instructions: Undergraduate or Master's students wanting to register in an independent study course in EECE (EECE 1999, 2999, 3999, 4999, or 5999) should complete this form in conjunction with their independent study course supervisor, who should be a faculty member in EECE.

This form must be submitted for approval at least five (5) working days prior to the last day to add a course.

Student Name:

Student ID:

Course Number:

Semester (ex: Fall 2026):

Course Supervisor:

Research Supervisor (if different from Course Supervisor):

Number of Course Units (1-6):

Is this course intended to replace a required course?

Yes

No

If yes, please provide the Department/Number/Title of the course:
Why can't the regular course be taken?

Title/Objective of Independent Study:

Justification of Course Units:

Outline the expected hours per week related to the completion of this independent study enrollment. The expected workload is 3-4 hours per week per credit hour.

Budget (if relevant):

If any materials, services, or equipment are necessary to complete the project, please describe them and the source of any required funds.

Methods and Learning Outcomes:

Include description of methods used and knowledge or skills gained.

Timeline:

Describe the project timeline, including the frequency of any regular meetings and due dates of any expected deliverables.

Expected Deliverables/Grade Evaluation Criteria:

Describe the final outcome(s) expected by the supervisor (e.g., written report, annotated presentation, working program or mechanism, etc.) on which your grade will be based. A “gradable” deliverable is required.
